OVERALL IMPORTANCE OF SERVICE TYPES

Please use row one to indicate the *overall* importance you would place on different service types during a power outage.
Please use row two to indicate where you would first go to acquire these services in an emergency and why you would go to that location.

0 = not at all important
1 = a bit important
2 = somewhat important
3 = important
4 = very important
5 = essential

	Service Types								
	Provisions			**Health & Medical**		**Government & Emergencies**		**Institutional Population**	**Education & Workforce**
	Food	Fuel	Hydration	Medications	Healthcare	Government	Shelter & Mutual Aid		
Overall Importance (0 - 5)									
where would you first go? why?									

IMPORTANCE OF SERVICE TYPES OVER OUTAGE DURATION

Please use the chart below to indicate how the importance of different service types might change during an outage.

For each service type, please the scale of 0-5 to show how important this service would be at that given point in time during the outage.

0 = not at all important
1 = a bit important
2 = somewhat important
3 = important
4 = very important
5 = essential

Point during Outage	**Service Types**								
	Provisions			**Health & Medical**		**Government & Emergencies**		**Institutional Population**	**Education & Workforce**
	Food	Fuel	Hydration	Medications	Healthcare	Government	Shelter & Mutual Aid		
1 day (24 hours)									
1 week (7 days)									
1 week									
14+ days
